

NEW YORK FIELD ARCHERS & BOWHUNTERS “HALL OF FAME”

This is the time of year when we canvass our membership for worthy candidates to be nominated to the New York Field Archers & Bowhunters Hall of Fame. To nominate a candidate to the NYFAB Hall of Fame the candidate needs to qualify in either the Competitive or Administrative category (See below Hall of Fame rules). A resume of the candidate's qualifications and their picture must be sent to me by **December 30, 2018**. As Hall of Fame Chairman, I will then circulate all valid resumes received, prior to the deadline, to the active members of the NYFAB Hall of Fame for their review and vote. All newly elected Hall of Fame members will be officially inducted into the NYFAB Hall of Fame at the Indoor State Championship on March 30, 2019. Please be sure to contact me if you have any questions as to the process or validity of potential candidates.

NYFAB HALL OF FAME RULES

The Hall of Fame was established by NYFA in 1972 to honor members who were outstanding in their achievement with Bow and Arrow, fine sportsmanship or dedication and exceptional contributions to the organization or administration of archery. It is the highest honor that can be bestowed on a member of the organization.

- A. All members of the Hall of Fame shall comprise the committee to consider proposed candidates.
- B. Hall of Fame members shall appoint a Chairperson each year.
- C. Nominations and resumes of the candidates' achievements shall be received by the Chairperson from a recognized NYFAB League, Area, Club or NYFAB Board of Directors by December 30th in the year of nomination. Leagues, Areas, Clubs or NYFAB Board of Directors should screen carefully any candidates whom they submit. At least ONE clear picture of the candidate **must** be included with the resume.
- D. The Chairperson shall send resumes (including pictures) and recommendations of proposed candidates to each active member of the Hall of Fame. After a careful investigation, members will vote on the candidates by a card system, returning their ballots to the chairperson by the January meeting of the NYFAB Board of Directors. The chairperson will not vote except in case of ties and will announce inductees to the Hall of Fame at the Indoor State Championship. Until then, members of the Hall of Fame are asked to keep this information confidential.
- E. No more than TWO (2) persons per year will be inducted. There are TWO (2) categories, Administrative and Competitive. Only ONE (1) honor will be bestowed in each. To be eligible in the Administrative Category, the candidate's resume must include work at the State level or higher. To be eligible for the Competitive category, the candidate must have won at the State level or higher. Specific reference (not generalizations) to qualifications at the State level of higher **must** be included in either category.
- F. It is not necessary that a person be inducted into the Hall of Fame each year. An unsuccessful candidate maybe renominated in a succeeding year if the sponsoring organization so chooses.
- G. Persons approved for membership in the Hall of Fame will be installed at the Indoor State Championship of NYFAB.

ADDITIONAL INFORMATION:

Individual members cannot nominate candidates for the Hall of Fame.

Specific accomplishments at State Level or higher, including years, **must** be included in resume.
